## PERSONAL INFORMATION

Growing up in Venezuela in an American school and studying a bachelor's degree in science, enabled me to take advantage of the obstacles in my life as opportunities. Studying a humanistic career, in an international context that is new to me, only prepares me more for roles in different industries and with demands that ask more of me. From international debate to working with children and my ambition to improve the country where I come from;

All of these experiences make me who I am.

## LANGUAGES

**Spanish** (Native) | **English** (Bilingual, C2)
