This restaurant in Belgium is owned by my mother, who inherited it from her parents. I started working there at the age of 15. Over time, I advanced from a kitchen helper to assisting the chef, and eventually, I transitioned into waiter and bartending. By the age of 19, I took on a leadership role, overseeing and guiding the other employees. I began taking over my mother's duties of creating schedules/timetables and handling cash register operations.
