I am a diligent, dependable person with excellent organisational and communication skills along with an unmatched level of dedication to work. I am a very social and amicable person with a drive to work hard and am a quick learner with new objectives and tasks and seek to improve upon the skills I have gained from my experiences.

JUNE – AUGUST 2018

CUSTOMER SALES ASSISTANT / TESCO SUPERSTORE, O'CONNELL STREET, SLIGO TOWN, CO. SLIGO.

As part of a team at Tesco's I was trusted with various responsibilities, such as ensuring that the shelves of my assigned area were appropriately stocked and organised by date, aiding in deliveries in both morning and evening and ensuring that all the customers' needs were met.

NOVEMBER 2019 – JANUARY 2020

CUSTOMER SERVICE ASSISTANT / BOOTS RETAIL IRELAND, SLIGO TOWN.

As part of a temporary contract, I was brought on as a seasonal staff member for the Christmas period and was responsible for moving deliveries to the shop floor, serving and aiding customers with their shopping, stocking shelves with the latest products and maintaining discounts and prices in store.

FEBRUARY 2021 – OCTOBER 2021

DIAGNOSTIC TECHNOLOGIST / ABBOTT DIAGNOSTIC DIVISION LONGFORD

As part of a team in Abbott's Longford I was responsible for performing a range of diagnostic tests to ensure the quality and function of the products manufactured for customer use. This included operating in a laboratory environment and interacting with many other departments and aiding in training in new members.

OCTOBER 2021 – JULY 2022

DIAGNOSTIC TECHNOLOGIST / ABBOTT DIAGNOSTIC DIVISION SLIGO

After transferring my position to Abbott's Sligo, I continued to operate with many of the same responsibilities as my previous position, with my focus being on stability monitoring for diagnostic kits and products already on market for the duration of their shelf life.

SEPTEMBER 2022 – PRESENT

ENGLISH TEACHER / CHALMORE LANGUAGE SOLUTIONS

As part of my responsibilities as a teacher, I have created and taught engaging and dynamic lessons for each of my classes at various levels of English and strived to create a thriving environment for my students to learn and flourish.
